Dear Praying Friends,

This last month has been a busy and exciting month! We had extended travels again, and it has been a great blessing to spend Sundays worshipping with people in NC, MD, and OH.

After sending our prayer letter last month, we were encouraged to hear from a supporter who had been praying specifically that we would have a new supporter that week. We actually had three added that week, bringing our support up to 61%! We are very excited about the work the Lord is doing on our behalf! Our goal is still to leave at the end of this year.

We currently have 12 supporting churches and 11 supporting families. If our calculations are correct, it will take about another 15 supporting churches/families to meet our goal. This month, would you **pray for supporters** to be added to our team? Would you **pray about how the Lord may use you to help**?

We had a great time worshipping with Reformation Bible Church last weekend and Harborsite Baptist Church this weekend. While they are different in many ways, the more we travel, the more we realize how similar the Church is—no matter where we go.

Please **continue to pray for safety** as we travel. We had a couple of near misses recently as the weather has been anything but simple. We added 1.5 hours to one trip due to an ice storm in NC, and hit snow while we were in OH. **Pray that the Lord will keep Tom alert as he drives and protect us from the other drivers**, if it is His will.

We cannot express just how much you mean to us. Your prayers and support are a great encouragement as we seek to reach the Italian people with the message of the Gospel.

For the Sake of His Name,
