

Our Testimonies

Tom grew up in a moral home but didn't come to Christ until he was sixteen after being confronted with the Gospel through a Micky Mantle tract. He then started attending a Christian school and seeking to know how he could best serve Christ. His desires quickly turned toward missions and, after some time, toward Italy in particular.

Stephanie trusted Christ as her Savior at the age of four after a Bible club lesson about Jesus' sacrificial death on the cross. When she was in third grade, she visited her Catholic relatives in Italy. The trip opened her eyes to the need for true Gospel witness in Italy. Though she was young, her burden and assurance of God's leading toward Italy has remained.

Recommendation from Greg Mazak Pastor of Trinity Bible Church

It has been a personal joy to watch Tom and Stephanie actively and faithfully serve the Lord Jesus Christ as part of our church family. We are confident that the Lord will use them for His glory in Italy and are grateful that we can partner with them in the Gospel as their home church.

Recommendation from the DiBagnos

In the summer of 2005 Tom spent a month working with us in our ministry in Italy. During that time he demonstrated a willingness to minister and to serve the Lord in various capacities.

Our contact with Stephanie has been more limited, but she has impressed us with her zeal and willing heart to learn, to minister, and to follow the Lord.

We believe Tom and Stephanie will be faithful servants to the Lord, and we look forward to having them join us in our ministry.
