Dear Praying Friends,

Tom had an appointment with the government official in charge of granting citizenship in our area last Friday (the prefettura). The prefettura basically transferred his responsibilities to the local government office, which doesn't know what to do with the case. They asked us to wait a week while they figure out what to do about the work the prefettura didn't finish. The citizenship for Tom isn't in question, however, what extra documents and payments (if any) will be required is the issue.

Please continue to pray with us as we look for a vehicle to rent during our 2-month furlough (August-October).

Praise God for his answer to your and our prayers for Ilario. After more than a year and a half of being out of steady work, Ilario is currently in a trial-week of work at a new job in the area! We are delighted for God's provision.

We made a trip to a missionary church about 3 hours away April 30. Tom had the privilege of preaching, and we greatly enjoyed the fellowship with a different body of believers.

Our teen activities and classes continue to go well, and the teens seem to appreciate them. We have seen some spiritual interest and small growth in one of the teens in particular, and this is an encouragement to us and the parents. Please continue for them to hunger and thirst for righteousness.

Our coworkers will be going on a 3-month furlough at the end of the month. We are looking forward to the blessings and difficulties of the added responsibilities. **Please pray for us and our church to remain faithful and grow during this time.**

We're in the home stretch for the kids' school year. Daniela is counting down the last 3.5 weeks of Italian school with delight.

Thank you so much for your prayers!

For the Sake of His Name,

Tom, Stephanie, Daniela, Nino, & Angelo
