Dear Praying friends,

This week, the government moved our region into level orange, which means we cannot leave our area of about 27 square miles. There are a number of other restrictions, but this one affects our church the most because it means that a few who regularly attend are no longer allowed to attend our church because they live outside of that perimeter. Because of this, we have begun a mixture of online and in-person gatherings. We were tentatively hopeful that we would have 2 visitors in our children's class (before regulations got stricter).

We recently finished studying Genesis and started studying the book of Hebrews in our Sunday school class. Tom continues through Romans in our morning worship service, and I am a little over a third of the way through Ecclesiastes with our ladies' Bible study.

Mario, who attends fairly regularly, is intubated in the hospital with the virus. **We pray for his salvation.**

**The memorial service for Giulia's mom went well.** Giulia's unsaved sister attended and was appreciative. **Please pray for Maria's salvation.**

Tom organized another time for two men from our church to practice preaching. **Please pray for the training of faithful men who will teach others.**

**Ilario still needs work—along with two ladies in our assembly (Elisabetta and Giulia).**

About a month or two ago, a neighbor's car was stolen from our apartment parking lot, and last night the apartment below us and the one below that one were broken into. Our apartment was probably not bothered because we were home. **We pray that God will use physical need and the lack of personal safety to draw people to Himself.**

Thank you for your prayers—we wish you a wonderful Thanksgiving!

For the Sake of His Name,

*Stephanie (for Tom, Daniela, Nino, Angelo, & Gabriella)*
