Dear Praying Friends,

Workers came and replaced our hot water tank (included in the apartment building construction project). We didn't NEED a new hot water tank, but we have had to do repairs every year on the "old" one (including replacing the entire motherboard last year), so this is a **nice little blessing**. Ironically, at the very moment the workers were replacing the hot water tank, the oven repairman called asking if he could come over to fix the oven (he hasn't come since we wrote last). Unfortunately both the hot water tank and the oven are in the same spot in the kitchen, so we had to ask him to come a different time (which he has yet to schedule).

Daniela's previous piano teacher had a stroke and has been in the hospital all week. **Please pray for his salvation and health.**

A man who has attended our church periodically for many years passed away this month. To our knowledge, he never made any clear confession of faith, and he only came to our church a handful of times since COVID. His wife and brother-in-law made the funeral arrangements at a Catholic Church. It was an emotional time for several of our church people who have known him for so long. We were reminded that God brings people into our lives, but we never know how long we have to minister to them. **Pray for us to be faithful with the opportunities that God gives us.**

Nino and Daniela have started basketball (2 times a week). **Please pray that this will afford us new opportunities for the Gospel.**

Tom has been trying to schedule our furlough meetings in an organized/efficient manner for next year. He is still waiting to hear back from a supporter before he can continue contacting the others. **Please pray that we will be able to get everything scheduled soon** so that we can finalize all of our travel plans.

Lucio has finished writing his Master's Thesis and is working out his last weeks for his internship. He recently had an interview with the company that he is doing the internship with for a job that would be possible to work from home, allowing him to continue to serve in the church in Deruta. **Please pray for the Lord's provision of a job for him**, either with the current company or a new one, and **for his continued service** wherever he may be.

**Please pray for God to work in hearts in our area.**

Thank you for your prayers and interest in our ministry.
